Senator Matthew O'Sullivan: asked the WSA Co. Ltd on 20 February 2026—

- (1. In terms of the freight and logistics precinct that will be at Western Sydney Airport, as of February 2026 how many leases have now been signed with commercial partners, and how many are pending, who will use the freight facilities?
2. Regarding air cargo operators, in light of there being no curfew at WSA, how many operators (eg Emirates, Cathay Pacific, UPS, Fed Ex) have either signed agreements or indicated an interest to set up operations at WSA?
3. What number of firm passenger airline agreements are currently in place for operations to Western Sydney Airport?
4. How many airlines do you anticipate having signed agreements when the airport goes live later in the year?
